Re: *United States v. Kari Parker*, 19 Cr. 131 (PAE)

Dear Judge Engelmayer:

The Government respectfully requests, with the consent of defense counsel, that the violation-of-supervised-release ("VOSR") conference for defendant Kari Parker scheduled for May 11, 2022, be adjourned to a date and time in mid-June 2022.

The defendant is alleged to have violated the conditions of his supervised release through, among other conduct, committing a crime that is being prosecuted by the Suffolk County District Attorney's Office. Parker's parallel prosecution by the Suffolk County District Attorney's Office is ongoing, with a motion to dismiss pending and the next status conference in that matter scheduled for June 3, 2022.

The Government seeks an adjournment of the May 11, 2022 conference to allow for Parker's state prosecution to proceed further before the parties consider a potential pre-hearing resolution of the VOSR allegations pending against Parker. The Government respectfully submits that an adjournment to mid-June 2022 will achieve that end.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
